Rò-ràdh

Fàilte gu Cuairt-litir an t-Samhraidh againn! Tha sinn an dòchas gun do chòrd saor-làithean an t-samhraidh ribh! Anns a' chuairt-litir seo, gheibh sibh fios air dè tha dol aig Comann nam Pàrant agus cuideachd dè eile a tha a' dol ann an saoghal na Gàidhlig. Tha Aithisg Bhliadhnail againn ri fhaighinn air an làrach-lìn an-dràsta far am faighear àrd-shealladh air an obair againn bhon bhliadhna a chaidh seachad.

Bha dragh air mòran phàrantan agus sgoiltean nach robh a' chlann a' faighinn uimhir de chothroman a bhith air am bogadh leis a' chànan ri linn a' ghalair-sgaoilte. Mar fhreagairt ris an t-suidheachadh, tha sgoiltean agus buidhnean Gàidhlig air a bhith uabhasach fhèin dripeil a' cur thachartasan air dòigh gus taic a chumail ri ar luchd-labhairt òga a' Ghàidhlig aca a thoirt gu ìre a-rithist. Tha sinn gu mòr air ar misneachadh a bhith a' faicinn uimhir de rudan a' dol agus mholamaid do theaghlaichean a dhol an sàs ann cho mòr as urrainn dhaibh ach am bi cothrom aig a' chloinn a bhith air an cuairteachadh leis a' chànan. Tha dragh ann an cuid a sgìrean seach nach eil uimhir theaghlaichean air clàradh airson FTMG; tha sinn ag obair còmhla ri buidhnean eile airson FTMG a bhrosnachadh. Tha taic ri faighinn bhuan ma tha sibh ag iarraidh barrachd brosnachaidh a dhèanamh nur sgìre.

Tha sinn mothachail nach robh a h-uile buidheann a' ruith rè a' ghalair-sgaoilte, ach seach gu bheil a-nis a' togail nam bacaidhean, tha sinn an dòchas gum faigh na buidhnean air tighinn cruinn còmhla a-rithist. Ma tha taic no stiùireadh a dhìth oirbh gus seo a dhèanamh, cuir brath gu: innes@cnag.org.

Introduction

Welcome to the Summer edition of our newsletter. We hope you are enjoying the summer holidays. In the newsletter we have given you an overview as to what is happening at Comann nam Pàrant along with other Gaelic news. Please share this information with anyone who may be interested. Our annual report is also available on our website where you can see an overview of our work during the last year.

Many parents and schools have been concerned about the decreased exposure to the language during the pandemic. Schools and Gaelic organisations have been busy organising events for GME youngsters to help their fluency levels recover. We are pleased to see the number of events being organised and we would encourage parents to take advantage of these to expose their children to as much Gaelic as possible. There is a concern in some areas about a drop in numbers enrolling in P1 GME. We are working with other agencies on GME promotion. We can also support local groups to do more localised promotion.

We are aware not all groups have been as active throughout the pandemic but with restrictions easing, we hope groups can reestablish and if any would like guidance or support to do so then please contact us: innes@cnag.org

Na Tràth-ìrean

Ann an co-bhann le Comunn na Gàidhlig agus Bòrd na Gàidhlig, tha sinn air leth toilichte a bhith aig stiùir a' phròiseict phileit ùir gus roinn nan tràth-ìrean a leasachadh. Le taic-airgid bho Bòrd na Gàidhlig, chaidh trì dreuchdan ùra a chruthachadh aig Comann nam Pàrant gus taic a chumail ri buidhnean nan tràth-ìrean - 1 Mhanaidsear/Oifigear Leasachaidh agus 2 Oifigear Leasachaidh.

'S iad na h-oifigearan ùra:

- Kirsteen Mhoireach à Baile Dhunlèibhe – Manaidsear is Oifigear Leasachaidh
- June Greumach à Steòrnabhagh – Oifigear Leasachaidh
- Anne Ramsay às na Hearadh – Oifigear Leasachaidh

Bidh na h-oifigearan a' cumail taic ri agus a' co-obrachadh le ùghdarrasan ionadail agus buidhnean fa-leth ann an corra dhiofar sgìre.

Thuirte Magaidh Wentworth, Stiùiriche Nàiseanta Comann nam Pàrant:

"Tha Comann nam Pàrant air leth toilichte gun d' fhuair sinn maoinachadh bho Bòrd na Gàidhlig, a bhios a' toirt cothrom dhuinn taic a chumail ri teaghlaichean le chlann òga. Tha sinn air sgioba le tòrr eòlas air an roinn obrach seo fhastadh agus tha sinn a' coimhead air adhart ri pàrantan is chlann a thoirt còmhla a-rithist às dèidh àm a th' air a bhith doirbh dha teaghlaichean."

Tha Comann nam Pàrant gu dlùth an sàs ann roinn nan tràth-ìrean, agus le maoinachadh na treas roinn bho Riaghaltas na h-Alba, tha sinn air taic a chumail ri buidhnean agus ri tachartasan thar iomadh bliadhna. Tha sinn an dùil a bhith a' leasachadh nan seirbheisean a tha ann mar-thà le bhith:

- A' cur air bhonn sgioba-taice airson nan tràth-ìrean gus teaghlaichean ùra a thàladh gu Foghlam tro Mheadhan na Gàidhlig (FTMG)
- A' neartachadh a' cheangail eadar a' Ghàidhlig agus an dachaigh; ach am bi cothrom aig clann an cànan a chleachdadh an dà chuid aig buidheann pàrant 's pàiste agus aig an taigh.
- A' leasachadh chomasan cànan aig aois òg
- A' neartachadh bhuidhnean a tha ann an-dràsta agus bhuidhnean ùra
- A' cruthachadh barrachd chothroman-ionnsachaidh do chloinn òga
- A' leasachadh iomairtean airson nan tràth-ìrean
- A' cur ri fàs agus comasan luchd-labhairt a' chànain

Tha an sgeama pileit seo a' cur prìomhachas air foghlam nan tràth-ìrean – rudeigin a tha gach Oifigear Leasachaidh ùr ag aontachadh ris gu mòr.

Thuirte Kirsteen Mhoireach, Manaidsear is Oifigear Leasachaidh nan Tràth-ìrean:

"Tha mi a' coimhead air adhart ri bhith ag obair le teaghlaichean anns na tràth-ìrean agus a' toirt taic dhaibh ag ionnsachadh Gàidhlig. Tha na tràth-ìrean cho cudromach ann am foghlam Gàidhlig agus tha fios againn gu bheil tòrr pàrantan ag iarraidh taic le goireasan agus cothroman an cànan a bhruidhinn."

Mairidh an sgeama pileit seo bliadhna sa chiad dol a-mach ach le dùil gun tèid a leudachadh, mas e dòigh libhrigidh èifeachdach a th' ann airson Gàidhlig a bhrosnachadh sna tràth-ìrean.

Early Year's Team

Early Years

Alongside Comunn na Gàidhlig (CnaG), and in partnership with Bòrd na Gàidhlig, we are very pleased to be leading on a pilot scheme to develop the Early Years. Three new positions have been created at Comann nam Pàrant, with funding from Bòrd na Gàidhlig, to assist early years groups – 1 Manager and 2 Development Officers.

The new officers are:

- Kirsteen Murray from Livingstone – Manager and Development Officer
- June Graham from Stornoway – Development Officer
- Anne Ramsay from Harris – Development Officer

Magaidh Wentworth, National Director of Comann nam Pàrant said:

“Comann nam Pàrant are incredibly grateful that we received funding, from Bòrd na Gàidhlig, that gives us the opportunity to aid families with young children. We have hired a knowledgeable team in this field, and we are looking forward to working with families again after a difficult year.”

The officers will assist and work with local authorities and independent groups in a number of areas. Comann nam Pàrant are closely involved with the early years, and with third sector funding from Scottish Government have supported groups and activities for a number of years. We hope to build on the services already provided by:

- Establishing an early years assistance team to encourage new families into Gaelic Medium Education (GME)
- Creating a stronger relationship between Gaelic and the home; where children return home from an early years session and still hear and use Gaelic – to some level
- Developing Gaelic language skills at a young age
- Strengthening established and newly formed groups
- Creating more learning opportunities for children
- Developing early years initiatives
- Expanding the number and skills of Gaelic speakers

This pilot scheme makes early years education a priority – something the new Development Officers agree wholeheartedly on.

Kirsteen Murray, Early Years Education Manager and Development Officer said:

“I’m looking forward to be working with families and offering help to them during early years education. Early years education is incredibly important in Gaelic Medium Education, and we understand that many parents require help through resources and opportunities to speak the language.”

This pilot scheme will last a year to begin with, with plans to extend the project if it proves to be an effective way to promote Gaelic in early years education.

BnaG – rannsachadh air plana Gàidhlig

Mar phàirt dhen ath Phlana Nàiseanta, chùm Bòrd na Gàidhlig co-chomhairleachadh air-loidhne airson bruidhinn mu na tha an dàn don Ghàidhlig sam àm ri teachd. Ann an co-rèir ri amasan Plana Nàiseanta na Gàidhlig tha ann an-dràsta, tha Bòrd na Gàidhlig airson dèanamh cinnteach gum bi an taic a bheirear seachad a thaobh ionnsachadh, cleachdadh agus brosnachadh a' chànain buadh-mhor agus gum bi i air a leudachadh. Chaidh coinneamhan fa-leth a chumail airson gach coimhearsnachd ach an deigheadh aca air còmhraidhean nas cuimsiche a dhèanamh. Chaidh còmhraidhean a dhèanamh am measg choimhearsnachdan sna h-Eileanan, choimhearsnachdan ann an sgìrean iomallach, choimhearsnachdan sna bailtean-mòra, am measg na h-òigridh agus chaidh seisean a chumail sa Bheurla cuideachd. Bha sinn toilichte fhaicinn gun deach uimhir de phàrantan chun nan coinneamhan. Tha sinn a' dèanamh toileachais ris a' cho-chomhairleachadh seo, agus tha sinn an dòchas gum bi e na chuideachadh do Bhòrd na Gàidhlig le bhith a' sgrìobhadh an ath Phlana Nàiseanta a thèid fhoillseachadh ann an 2023.

BnaG – research on Gaelic Plan

As part of the next National Gaelic Plan, Bòrd na Gàidhlig held an online consultation to discuss the future of Gaelic. In line with the objectives in the current National Gaelic Language Plan, BnG is looking to ensure that the impact of support for opportunities to use, learn and promote the language is maximised. Each meeting was targeted for a different community to enable more focussed discussion. There was a discussion for Gaelic Speakers living in the islands and rural area, for those living in cities, for the online community, for youngsters and also a session conducted in English. We were pleased that a good representation of parents attended the meetings. We welcome this consultation, and we hope that it will be of assistance to Bòrd na Gàidhlig when writing the new National Gaelic Plan which is due for publication in 2023.

<https://www.tobarandualchais.co.uk/secondary-subjects?l=gd>

Air sgàth 's gu bheil cha mhòr 46,000 air an làraich-lìn, chaidh clàraidhean a thaghadh airson diofar chuspairean agus aig diofar ìrean den bhun-sgoil agus àrd-sgoil. Chaidh na cuspairean a thaghadh às dèidh chòmhradh ri tidsearan. Am measg nan cuspairean, tha: Eòin is Ainmhidhean; Caistealan is Cinnidhean; A' Chiad Chogadh; agus Fuadaichean is Eilthireachd.

<https://www.tobarandualchais.co.uk/selected-subjects?l=gd>

Tobar an Dualchais/Kist o Riches (TAD) has launched a new website with new features which include: transcriptions of some of the Gaelic recordings; photographs and detailed biographies of some of the best-known contributors and fieldworkers; blog posts; and Gaelic-medium resources for schools and nurseries.

The 'Seinnibh Còmhla Rinn' (Sing With Us) materials are suitable for young children up to mid primary level. Twenty Gaelic songs and rhymes were chosen from the website and people can hear the original versions, along with new versions recorded by schoolchildren. The song lyrics are available at the bottom of each song page and there is also a pdf file with all of the song lyrics.

<https://www.tobarandualchais.co.uk/songs>

Twenty five lessons have been developed for fluent Gaelic speakers at upper secondary school level, based on stories and information from the website. These recordings were chosen in consultation with secondary school teachers and support materials were developed. The original recording and a transcription is included in each lesson, and 10 of the lessons have videos in which the stories are re-told. The original stories are told by contributors from different geographical areas and on a variety of subjects.

<https://www.tobarandualchais.co.uk/secondary-subjects>

With thousands of recordings on the website, we thought it would be helpful to select recordings on different subjects and across different primary and secondary school levels. The subjects on the website were selected in consultation with teachers and include the following subjects: Birds and Animals; Castles and Clans; The First World War; and Clearances and Emigration.

Tràth-ionnsachadh agus Cùram-chloinne

Early Learning and Childcare

Bhon Lùnastal a-mach am-bliadhna, bidh còir aig a h-uile pàiste aois trì agus ceithir - agus cuid a phàistean dà bhliadhna dh'aois - air 1,140 uair a thèide de sholar tràth-ionnsachaidh agus cùram-chloinne an-asgaidh.

Gus taic a chumail ris an leudachadh seo, tha Riaghaltas na h-Alba air an Stiùireadh Reachdail air Tràth-ionnsachadh agus Cùram-chloinne ùrachadh. Thèid an stiùireadh reachdail ùr a chur an gnìomh bho 1 Lùnastal 2021. Early learning and childcare: statutory guidance - July 2021 - www.gov.scot

Rinneadh soilleir anns an stiùireadh nach eil dleastanas air ùghdarrasan ionadail solar tràth-ionnsachaidh no cùram-chloinne a thoirt seachad ann an Gàidhlig (ged a tha Foghlam tro Mheadhan na Gàidhlig na phàirt stèidhichte de shiostam foghlaim na h-Alba bho aois 3 gu 18); "Faodar solar tràth-ionnsachaidh agus cùram-chloinne a thoirt seachad ann an Gàidhlig. Chan eil dleastanas air ùghdarrasan foghlaim solar tràth-ionnsachaidh no cùram-chloinne a thoirt seachad, ach faodaidh iad, ma thogras iad."

Tha e air a bhith aithnichte bho chionn bhliadhnaichean cho cudromach 's a tha tràth-ionnsachadh, agus gu h-àraidh do chloinn ann am Foghlam tro Mheadhan na Gàidhlig a tha à dachannan gun Ghàidhlig. Ma tha inbhe co-ionnan a bhith ann aig FMG agus FTB, feum na h-aon còraichean a bhith aig na pàrantan a th' anns am FMG a tha aig pàrantan ann an FTB.

Anns an Stiùireadh Reachdail a chaidh fhoillseachadh ann an 2016, thuirteadh, "San am ri teachd, 's docha gun toir Ministearan na h-Alba, tro riaghailtean, riatanas a-steach far am feum ughdarrasan foghlaim dèiligeadh ri tagradh bho phàrant airson measadh gus faicinn a bheil FBG a dhith mar thagradh gus measadh a dhèanamh gus faicinn a bheil FtG a dhith aig ìre tràth-ionnsachaidh agus a thaobh cùraim-chloinne. Nan deigheadh na riaghailtean sin a chur an gnìomh, chuidicheadh e le bhith dèanamh cinnteach gum biodh FtG aig ìre tràth-ionnsachaidh agus seirbheisean cùram-chloinne na Gàidhlig agus FBG ag obair còmhla gus an biodh leantalachd ann am foghlam bogaidh na cloinne."

'S e seo an t-àm sùil às ùr a thoirt air an Stiùireadh airson Foghlam Gàidhlig 's earrannan mu thràth-ionnsachadh agus cùram-chloinne a chur ann cuideachd. Le bhith a' toirt sùil air a-rithist, bheireadh e dhuinn an cothrom sgrùdadh a dhèanamh air cho èifeachdach 's a tha am pròiseas do phàrantan a tha ag iarraidh iarrtas a chur a-steach airson Foghlam tro Mheadhan na Gàidhlig agus ùrachadh a dhèanamh air diofar eileamaidean dhen sgrìobhainn, mar as iomchaidh.

From this August there is a statutory entitlement of 1,140 hours of funded early learning and childcare for all three- and four-year-olds and eligible two-year-olds.

In support of this expansion Scottish Government have published updated Early Learning and Childcare (ELC) Statutory Guidance. This statutory guidance applies from 1 August 2021 and replaces previous guidance. Early learning and childcare: statutory guidance - July 2021 - www.gov.scot

The guidance makes it very clear that local authorities have no obligation to provide early learning and childcare in Gaelic (although Gaelic medium education (GME) is an established part of the 3-18 Scottish Education system), stating "Early learning and childcare can be provided through the medium of Gaelic. There are no duties on education authorities to provide Gaelic early learning and childcare but they may do so."

The importance of early learning has been recognised for many years, and especially so in Gaelic medium education for children who are not from a Gaelic speaking home situation. If GME is to have equal status with English medium education (EME) parents must have the same entitlements in GME as those granted to families in EME.

Statutory Guidance on Gaelic education published in 2016 states "In the future, the Scottish Ministers may, by regulations, require an education authority to treat a parental request to assess the need for GMPE in its area as a request to assess the need for GME at the level of early learning and childcare. If such regulations are made, it would help to ensure that GME provision at the level of early learning and childcare and GMPE (i.e. GME in primary schools) complement each other, providing continuity in a child's language immersion"

Now would seem to be an appropriate time to review the Guidance on Gaelic Education to include early learning and childcare. Such a review would also present an opportunity to assess the efficacy of the process as laid down in the guidance for parental requests for Gaelic medium education and update other aspects of the document as appropriate.

Uimhir de thidsearan ùra

Chìthear anns a' chlàr gu h-ìosal an uimhir de thidsearan ùra a bhios a' tòiseachadh san t-seòmar-theagaisg san Lùnastal. Bha a' bhliadhna a dh'fhalbh na fhìor dhùbhlan an dà chuid do na h-oileanaich agus do na h-oilthighean fhèin a bhios a' lìbhrigeadh chùrsaichean teagaisg, ach tha sinn air ar dòigh a bhith a' faicinn na h-uimhir de thidsearan ùra.

Number of Newly Qualified Teachers

The table below is of Newly Qualified Teachers who will be starting teaching in August. It has been a difficult year for the students and the universities who were delivering the teaching courses and we are pleased to see this number of new teachers.
